Re: Application of Memphis Networkx, LLC for a Certificate of Public Convenience and Necessity to Provide Intrastate Telecommunication Services and Joint Petition of Memphis Light Gas & Water Division, a Division of the City of Memphis, Tennessee ("MLGW") and A&L Networks-Tennessee, LLC ("A&L") for Approval of Agreement Between MLGW and A&L regarding Joint Ownership of Memphis Networkx, LLC; Docket No.99-00909 - Extension for Filing Responses to TRA Staff Data Requests

Dear Gentlemen:

This letter comes to inform you that the Applicant and Joint Petitioners in this proceeding have requested and obtained an extension until Thursday, May 11, 2000 at 4:30 p.m. to file responses to the TRA Staff's Data Requests.

Some of the exhibits that will be filed in response to these requests are voluminous. For example, in response to Question 26, we will file an exhibit detailing the locations and the nature of the work performed under contracts between MLGW and A&L Underground. This exhibit is on oversized computer paper and fills up an entire banker's box. It is also takes several hours for one set of this document to be printed by MLGW. Because of the size of the paper, it does not lend itself to be easily copied on a copying machine. Another example is Exhibit 16G which contains 35 oversized maps of subdivisions where certain conduit is located. These maps are color-coded and must be color-coded by hand. Therefore, in light of the various levels of participation of the intervenors, if you are not interested in having a service copy of these documents, we would appreciate your letting us know so that we can avoid the time and expense of producing them. I

would be happy to make the documents available at my office for your review in lieu of an actual copy. You may respond to me at the e-mail address above or by phone regarding your desire for the voluminous documents.

Thank you in advance for your cooperation.

Sincerely,

D. Billye Sanders
